 - Enemies *138xp*
 - 3 Dark mantle
 - 1 Violent fungus
 - 2 Gas spore
 -
 - b. Chamber two
 - As you swing the heavy door open you hear a clicking and you hear a mechanism activate, you can see that a trap above the door as grown old and the wood used in it has rotted, because of this the boulder falls to the left of the party and causes the ground to shake a bit. Almost directly after you hear the sound of wood splintering and you turn around to see the log nadia placed explode under the weight of the slab as it rolls back into place. As soon as the last bit of light from outside the cave escapes the cavern bursts into a myriad of colors created by bioluminescent mushrooms and grass and other plant material, you understand that there is powerful old magic in the air.
 - Nestled into the cavern wall is the entrance to a temple made of slab
 - As you approach the temple you feel a tingling at the back of your neck, you look up to see a blue and white spider slowly descending on a string of its web, as it approaches you it blinks into its ethereal form and readies itself for battle.

HOBGOBLIN DEVASTATOR

Medium humanoid (goblinoid), lawful evil

Armor Class 13 (studded leather)

Hit Points 45 (7d8 + 14)

Speed 30 ft.

STR	DEX	CON	INT	WIS	CHA
13 (+1)	12 (+1)	14 (+2)	16 (+3)	13 (+1)	11 (+0)

Skills Arcana +5

Senses darkvision 60 ft., passive Perception 11

Languages Common, Goblin

Challenge 4 (1,100 XP)

Arcane Advantage. Once per turn, the hobgoblin can deal an extra 7 (2d6) damage to a creature it hits with a damaging spell attack if that target is within 5 feet of an ally of the hobgoblin and that ally isn't incapacitated.

Army Arcana. When the hobgoblin casts a spell that causes damage or that forces other creatures to make a saving throw, it can choose itself and any number of allies to be immune to the damage caused by the spell and to succeed on the required saving throw.

Spellcasting. The hobgoblin is a 7th-level spellcaster. Its spellcasting ability is Intelligence (spell save DC 13, +5 to hit with spell attacks). It has the following wizard spells prepared:

Cantrips (at will): *acid splash*, *fire bolt*, *ray of frost*, *shocking grasp*
1st level (4 slots): *fog cloud*, *magic missile*, *thunderwave*
2nd level (3 slots): *gust of wind*, *Melf's acid arrow*, *scorching ray*
3rd level (3 slots): *fireball*, *fly*, *lightning bolt*
4th level (1 slot): *ice storm*

ACTIONS

Quarterstaff. *Melee Weapon Attack:* +3 to hit, reach 5 ft., one target. *Hit:* 4 (1d6 + 1) bludgeoning damage, or 5 (1d8 + 1) bludgeoning damage if used with two hands.

Challenge 3 (700 XP)

ACTIONS

Multiattack. The grell makes two attacks: one with its tentacles and one with its beak.

Tentacles. Melee Weapon Attack: +4 to hit, reach 10 ft., one creature. **Hit:** 7 (1d10 + 2) piercing damage, and the target must succeed on a DC 11 Constitution saving throw or be poisoned for 1 minute. The poisoned target is paralyzed, and it can repeat the saving throw at the end of each of its turns, ending the effect on a success.

The target is also grappled (escape DC 15). If the target is Medium or smaller, it is also restrained until this grapple ends. While grappling the target, the grell has advantage on attack rolls against it and can't use this attack against other targets. When the grell moves, any Medium or smaller target it is grappling moves with it.

Beak. Melee Weapon Attack: +4 to hit, reach 5 ft., one creature. **Hit:** 7 (2d4 + 2) piercing damage.
