

Planning

General Idea

1. Drive
 - a. Note
2. Expedition to belgren
 - a. Meeting a lywood scholar looking for passage into the feywild wallie
 - b. Not super capable, excentric
 - c. Set up town
3. Travel to Galador (Possible not likely)
 - a. Come across another burnt down town, are spotted, do not
4. Galador
 - a. Town itself
 - i. Built in the canopy of a great tree, the town of galador was once home to a group of wood elves. They used rainfall as their primary water source, grew food on platforms built on the trees
 - b. The city now abandoned is being settled by a small group of Gijari ambassadors
 - i. Their deal: their nation spared what it could for this expedition but the bulk of the Tillimet resources go to feeding its people and the journey is long. They are not particularly a particularly strong group but they are politically adept and intend to provide homes for the Tillimerians.
 - ii. Their plan: present as a rival nation with the power and funds who would like to see the viper meet there end, travel to new coranthae and beg for asylum.
 - iii. They have 4000 gold pieces, need for travel as well as an offering for new corenthae
 - iv. Was wood elf settlement until it was felled by the viper
 - v. Peaple killed have been
 - vi.
5. Tracking the bandits
 - a. Destroyed towns and shit
6. Kidnaping of marcus and harry
 - a. The bandits you calmed emotions decided to take their anger out on the town, they took the fighting members of town out
 - b. Captured as slaves
7. The
8. Bandits are heading to a central meeting location, dont know why they are going, they have just been told to meet there fro something special
9. They meet at

Interlude

- Alwyn talks to nadine sees her off
- Dingus finds a well and starts building water infrastructure
- Oberon and foster go meet up with the pixies
- Peal talks to belgren and the town about fund allocation and bridging the towns.

Key points

- Tracking down the bandits
 - Follow the towns
- The viper emerges from a large structure carrying the head of a stone construct, minions behind her carry out a tarp of money and a large hammer
- Hoard of money and item extremely well guarded
- Harry and marcus kept at a really small camp

Session 1

Goals

- Magic item for dingus
- Getting closer to the viper and her crew
 - Figuring them out
 - Uncovering a few mysteries
 - Learning more about the desert
- Make it an undercover mission
- Acquire money?

Reality

Session 2

Goals

- Set up the rules of the tournament
- Let
- Introduce core concepts,
 - Key players
 - Rules of the game
 - Dungeon
 - Guard around the gold

Key players

- Alier 40-50 blue yellow
 - All about honor and dignity for the
 - Looking for conquest to take back what he sees as rightfully his

- Best warrior
- Red20 -30 red and black
 - Flippant
 - Likes comfort and
 - Smart but not using it for the war effort
 -
- Salinal 15- 25 green white blue
 - religious zealots for the viper
 - Runs the church and has a few druids and clerics
 - Camp look kinda like a temple '
 - Key figure studying a
- Nallar 40 -50 red and green
 - Military strategist and key advisor for the viper
 - 1st in line for succession
 - Extremely organized camp, soldiers not bandits
 - Distain for red
 -
- Aenaat 10 - 15 solid purple
 - Not respected and looking to prove themselves
 - Trying to fill murdocks place as good warrior

Rules of the game

-

Dungeon

- Huge mural

Guard

- Constant rotating guard
- Glyph of warding 16 constrictor snakes earth bind

Session 3

Pursuit rules

- Pursuers move 8 units every day
- Supply stat starts at 10
 - decreases by 5 every day
 - Increases by 1d4 every day
 - If at or below 0 Speed drops to half for the day until resources are gained
- Distance: starts at 1
-
- Exhaustion
 - Gain a +1 every unit of extra work performed
 - If above 0 make a con save (8+exhaustion) every day
 - If failed the party is exhausted
 - Speed reduced to half
 - removing exhaustion takes a full day of rest or a successful group con save

Exhaustion	Save
------------	------

1	8
2	9
3	11
4	14
5	18
6	23

- Cover your trail (once per day)
 - Gain an exhaustion tick
 - Make a check nature

Exhaustion	Save
0	6
1	7
2	9
3	12
4	15
5	19

-
- Increase distance by 4 units
-
- Roll on rn
- Chart

00 - 30	No event
4	Encounter burnt out town bodies dragged 1d6 supplies
5	Approach a river athletics check to cross (gain the benefits of successful hide trail), failure = 1d4 supplies lost or wait for river to thin no reward
6	Pestilence claims the area
7	Feywild entrance
8	Den of bears, sneak around DC 12, fight success = 2d4 suplies

9	
10	
1	

-

Check trackers have to beat

Walye

- Misguided but smart
- Wants very badly to be involved in fey culture
 - Aproaching this in an academic sense
 - Doent know what to do with the names knows he wants them
-

-

Session 4

Same game

Feywild

Session 5

Entry through the revel
